NEW LIBRARY SYSTEM ACCESSIT!

The library staff have been busy for the past month preparing for the arrival of their new library management software. It was installed during the term break and the past weeks have been busy customising it to our needs.

Along with a new system, it has also been an excellent opportunity to make some changes.

- The libraries at both campuses are now operating in the one system.
- Notices will now be emailed to both staff and students.
- We now have the opportunity to add more online resource links.

Not sure where to find the new library catalogue online?

From the CCB homepage go to the Library page, click on Coolock Library. Once the Libguide opens click on Library Search. It will take you to the new library catalogue.

As it is so new for everyone, there are some easy to follow instructions.

- Staff and students can log in to view their loans and also to reserve books.
- NEW ITEMS show all new items recently purchased by the library.
- READING LISTS provide reading recommendations. For example, if you like reading Harry Potter there is a list of similar novels.
- VISUAL SEARCH provides lists of books organised by topics, eg. Art, Science, Geography etc.

Welcome to our new Catalogue

Getting Started:
Your Student ID Card is also your library card. Present it at the Borrowing Desk to borrow items.

Searching (How To):
1. Click on Fast Find (menu left). (Your Fast Find defaults for a search of both libraries. If you only want to search one library, then select Campus button at the bottom left of the Fast Find screen)
2. Type words into the search box and hit Return or Enter key.
3. If the search words match records in our library, you will now see a results list.

BOOK REVIEW: WILLIAM SHAKESPEARE’S STAR WARS

Reviewed by John McCullough

“An awesome, creative read!!!”

It is a period of civil war.
The spaceships of the rebels, striking swift
From base unseen, have gain’d a vict’ry o’er
The cruel Galactic Empire, now adrift.
Amidst the battle, rebel spies prevail’d
And stole the plans to a space station vast,
Whose pow’rful beams will later be unveil’d
And crush a planet: ’tis the DEATH STAR blast.
Pursu’d by agents sinister and cold,
Now princess Leia to her home doth flee,
Deliv’ring plans and a new hope they hold:
Of bringing freedom to the galaxy.
In time so long ago begins our play,
In star-crossed galaxy far, far away.
