......AND NOW FOR THE NEWS.

Where has the term gone? Term 1 has disappeared in a flash and term 2 is looming not far away. Students have been focused and staff have worked hard to keep them that way. The Library’s Year 10 Study Skills sessions have been a great help via Rachel Cross, with students coming in individually to ask for help as well. We encourage staff to keep sending students to us for help.

- It was mentioned in the last Bulletin about how to view programs via the Catalogue as it has changed since last year. If you are having trouble with this please jump on the phone and give us a call or sent an email. It’s such a great resource for staff to use in class.

- New databases for you to use. Country Reports has been added to the list of great resources. Please see page 3 for more information, or better yet visit the Libguide and have a play.

- **Coming event: Manga expo at the Bendigo library.**
- **The Library page on the CCB website has been updated**

- Wanted Staff books reviews. If you have read a book that you would love to share. Please send an email, courier pigeon or smoke signal to the Library. It doesn’t matter if you love or hate the book, we want to know what you have been reading.

- Captain John McCullough of the Starship CCB Library recently gave a presentation to the Powers that Be, about the importance of teaching students better digital literacy skills. The next Library bulletin will have more on this topic.

Last but not least, the Coolock Library staff wish everyone a great holiday and will see you all refreshed for Round 2 of CCB 2014.
“Education is not the filling of a pail but the lighting of a fire.”
William Butler Yeats.
